Kathy –

We didn't get the mail out so here's our response if its not too late:

Katrina took our dream house!
We bought it & moved in Aug 31, 2004. (my son's b-day)
We had a b-day party on Aug 28, 2005 & little did we know the next day we'd lose our house, our business & two of our Grandparents to the storm.
We had 500,000^{00} worth of ins. and got a denial letter and will not see one penny!

Our biggest wish would be help w/ sheet rock, roofing, or labor. We're desperate!!

But a holiday wish for our kids would be bikes. We had almost 6ft of water & lost everything.

Even if we're too late I applaud what you are doing ☺

P.S. Didn't you (Kathy) own that cute little shop? We were the one's who bought charms from you. Glad to see you're OK!
